ACLS Pre-Course Instructions (Required!)

This document provides instructions for how to prepare for your ACLS course, and how to access the REQUIRED PRE-COURSE TEST THAT MUST BE COMPLETED PRIOR TO CLASS.

Address for Class:

CPR Tampa
39336 US Highway 19 North
Tarpon Springs, FL 34689
727-240-9404
info@cprtampafl.com

Arrive on Time:

Please plan to arrive on time because it will be difficult for late students to catch up once we start. Students are expected to attend and participate in the entire course. If you arrive later than 20 minutes after class start time you will be asked to reschedule.

How to Prepare:

- Review and understand the information in your ACLS Provider Manual. Please review all of the sections throughout the manual.
- Pay particular attention to the following sections below listed in the table of contents:
 - Systematic Approach: BLS Assessment, Primary and Secondary Assessments
 - Acute Coronary Syndromes
 - Acute Stroke
 - Bradycardia
 - Tachycardia: Stable and Unstable
 - Respiratory Arrest
 - Cardiac Arrest: VF/pVT
 - Cardiac Arrest: PEA and Asystole
 - Post-Cardiac Arrest Care
- Throughout the ACLS provider manual there are **treatment algorithms**. There is **one for each specific condition/emergency**. Become familiar with **all** the treatment algorithms throughout the ACLS Provider Manual.
- You will be expected to recognize cardiac rhythms and understand ACLS pharmacology. These topics are not taught in this course.

You Must:

1. **Complete and Print** your required Pre-course Self-Assessment.
2. Score a **70% or higher** on your Pre-course Self-Assessment in order to attend class.

How to Create an Account with the AHA, Access, and Complete Your Required Pre-course Self-Assessment

Step #1

Create an eLearning account with the AHA. Go to <https://elearning.heart.org>

If you already have an AHA account then login. If you **DO NOT** have an AHA account, click on the top right where it says, “Sign up”. Then “Create and Account” as a New User, and Sign In.

***SAVE YOUR ACCOUNT LOGIN INFORMATION!**

The screenshot shows the American Heart Association eLearning website. At the top left is the eLearning logo. To the right are links for 'Sign In | Sign Up' and a search bar. Below the header is a navigation menu with 'Courses', 'About eLearning', 'Support', and 'Get Involved'. A yellow notice banner is present, stating: 'Notice: Customer Support Closure - In observance of the upcoming holiday please note the customer support hours on the following day(s): Closed January 1. Normal business hours (8:00 a.m. - 6:00 p.m., Central) will resume Monday January 4th.' The main content area is split into two columns. The left column is titled 'Find a Course' and includes a search bar with 'FILTER LISTING ALL COURSES' and a red 'SEARCH' button. The right column is titled 'Activate a Course Key' and includes the text 'Do you have a new course key? Start here to activate your key and begin your course.' and a red 'ACTIVATE A COURSE KEY' button.

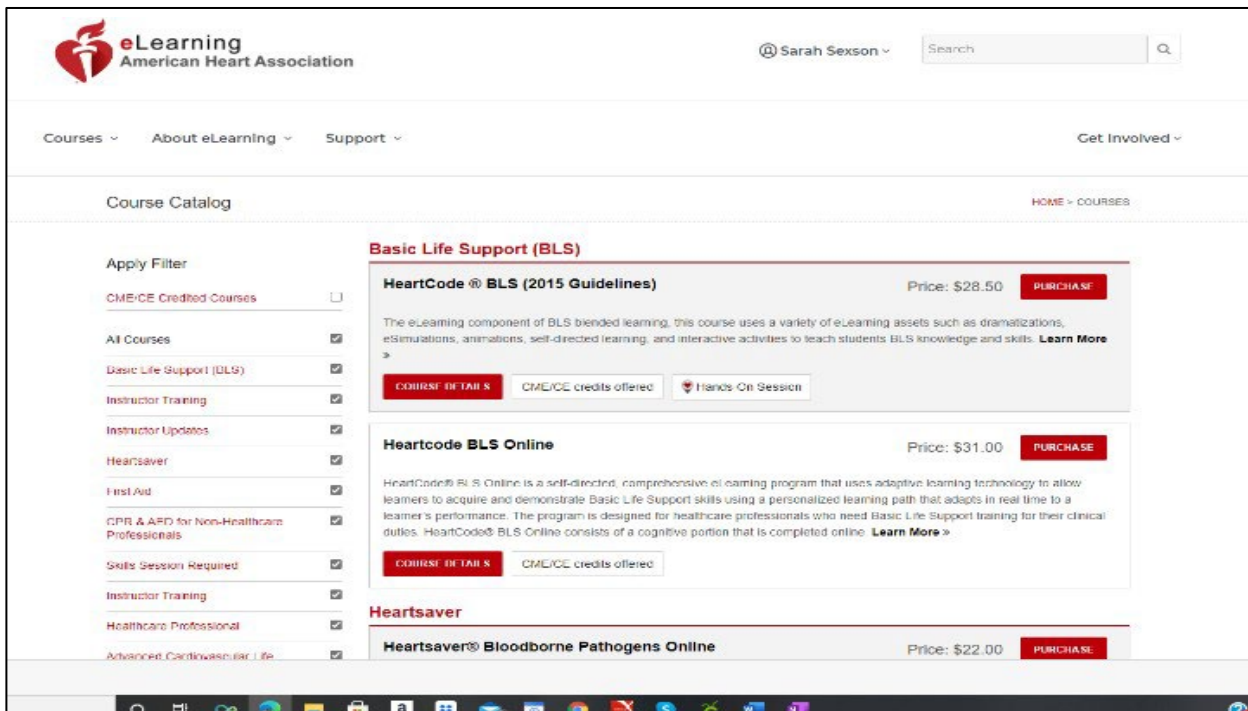

Step #2

After you have logged in, this is what should appear on the screen. This will bring up all the courses offered in eLearning. Scroll Down and locate the course that says “**ACLS Pre-course Assessment**” and hit **LAUNCH THIS COURSE**. (*NOTE: **Do Not** select “**ACLS Pre-Course Assessment and Pre-course Work**”)

IMPORTANT! If you are being prompted to watch videos you are in the WRONG pre-course assessment course.

(Course code is KJ-1480)

Step #3

After you launch the course, this is the screen you will see next. Click **START** to begin the assessment. Please note, you can save and return to complete the pre-course assessment at any time. You do NOT have to complete this in one session. You must save your login information to access your course again.

The screenshot shows the eLearning interface for the ACLS Precourse Self-Assessment. At the top, there is a navigation bar with the American Heart Association logo, the user name 'Sarah Sexson', and a search bar. Below the navigation bar, there are dropdown menus for 'Courses', 'About eLearning', 'Support', and 'Get Involved'. The main content area is titled 'ACLS Precourse Self-Assessment' and includes a breadcrumb trail: 'HOME > CLASSES > LAUNCH COURSE'. The start and end dates are listed as 'Start Date: 11/06/2020' and 'End Date: 11/06/2022'. A welcome message reads: 'Welcome to the ACLS Precourse Self-Assessment. Things to know before taking this course: All students must complete the Precourse Self-Assessment and achieve a score of at least 70% before taking the ACLS Course. Students must print their scoring report and bring it with them to class. Click the START button below to begin.' Below the text is a diagram showing a laptop labeled 'AHA Course' connected to a certificate icon labeled 'Certificate'. At the bottom, there is a table with the following data:

ACLS PRECOURSE SELF-ASSESSMENT (1)	TOPIC TYPE	STATUS	ACTION
ACLS Precourse Self-Assessment	Required	In progress	Resume

On the right side of the interface, there are two sections: 'Resources' and 'Support'. The 'Resources' section includes links for 'ACLS Supplementary Material', 'Precourse Preparation Checklist', '600 IO Video', and 'Coping with Death Video'. The 'Support' section includes links for 'Course Help', 'Technical Requirements', and 'Troubleshooting'.

Step #4

After you have completed the pretest, **you must print this page** with your score. Please see the red highlighted area that says “Review”. Here you can see what you missed. After reviewing what was missed, Click the red Certificate icon to print your completion certificate.

The screenshot shows a web interface for 'ACLS Precourse Self-Assessment'. At the top right, there are buttons for 'Exit Exercise' and 'Take No'. The main content area features a green header 'Precourse Self-Assessment Results' and a large green 'Congratulations!' message. Below this, it states 'Congratulations, you have passed the Advanced Cardiovascular Life Support Precourse Self Assessment with a score of 97%'. There are two red buttons: 'Review' and 'Continue'. A 'Print' button is also visible on the right side. The page includes instructions to print the score report and completion certificate before class, and provides scores for major testing areas: Rhythm Identification (96%), Pharmacology (95%), and Practical Application (100%).

Step #5

Bring **both** the Pre-course Self-Assessment Result sheet above and your completion certificate shown here with you to class.

YOU MUST have your Pre-course Self-Assessment to get your e-Card.

If you do not have a printer, you can do one of the following:

- 1) Take a picture of both documents with your smart phone and bring them to class.
- 2) Email the documents to our office.
- 3) Have your AHA login information with you on the day of class and print upon arriving to the training site.

If you have questions before the course, please feel free to call us at **727-240-9404**. You can also email us anytime at **info@CPRTampaFL.com**.

We look forward to providing you with a fun and stress-free ACLS course!
